

Lloyd for Treasurer

Yes please.

My name is Lloyd, I'm in second year EEE and I want to treasure you in 2015/16. I'm really passionate about the Design Collective because it does some pretty gr8 stuff and I'd like to make it even better!

For starters, I'd organise more socials during the term when workshops can be a bit sparse. I also think it would be worth arranging more design museum visits if there's interest.

To reassure you of my competency, my parents are accountants and I passed my GCSE in Maths so I am exceptionally qualified.
